

Sammamish Arts Commission Agenda March 17th, 2004

- 1) Review minutes from February meeting for approval
 - 2) Evaluate each project, identify volunteers, brainstorm where we can recruit additional help
- D. Bus Shelters ~ I have asked Carole Valenta, Public Art Administrator for SounSound Transit to see if there is enough funding for the Park & Ride to cover the addition of 3 additional bus shelters to be done by either Stuart Wong or different artists. She was enthusiastic about the idea and said she will explore this with the appropriate parties and let me know shortly. If they are unable to accommodate this request, we need to have a backup plan. We will schedule a team meeting with Daphne, Kathy, Kim
- E. Easthouse and Pam ASAP to formulate a plan. If we aren't involving the Boy Scouts, donations from them will need to be returned in full - I will ask city to provide reimbursement funding. Kathy, I'll need receipts.
- F. Performance Network/Live Theatre Extravaganza ~ Carole needs help from volunteers to:
- ❖ request a snack donation from local business (either Fred Meyer, QFC, Safeway, Albertsons or Issaquah Costco {not headquarters since they already declined})
 - ❖ help put posters up in the community
 - ❖ videotape the performance
 - ❖ help sell tickets (if someone has a church or club affiliation)
- D. Human & Social Services Grant - Youth & Senior Art Workshop ~ Kevin needs assistance with putting this together. Volunteers from group?
- E. Sammamish Commons / City Hall - Kathy & Pam working on recommendation to the City for art display and art integration - we will need the Commission to vote on alternatives for hardware requirements (in separate future email).
- F. Historical Buildings - Joe & Heritage Society on track for presentation to the Rotary April 29th - will need future volunteer support for fundraising activities.

G. Sammamish Arts Commission Website - Kent & Matt Micono (Information Systems Coordinator for the City) are working on cursory plan to get a link to City Website and possibly web space. No additional staff requirements at present.

H. Esquire Deposition Services - Kathy will need help from the group to distribute invitations to the opening on April 2nd.
